EXPERIENCE

Sahl Pay — UI/UX Designer

Jun 2024 – Feb 2026

- Independently audited 200+ app services and competitor apps, defining 4 standardized user flows that reduced screen complexity and eliminated backtracking
- Designed reusable screen templates for a mobile-first design system, replacing inconsistently built service UIs and improving task completion in usability testing
- Conducted user interviews, defined product requirements, and ran usability testing on prototypes and live implementations

Sahl Pay — Graphic Designer

Jul 2023 – Jun 2024

- Edited & color graded 15 reels from a celebrity campaign shoot with 19M views; produced static campaign graphics from raw imagery
- Produced 9-reel Ramadan campaign end-to-end — concept to color grade — reaching 640K combined views across platforms
- Produced 4 posts/week across Instagram, Facebook, and TikTok

Citrus Circuits Robotics Team — Business/Media Lead

*Aug 2018 – Jun 2022 (**Lead:** May 2021 – May 2022)*

- Raised $200K annual budget through Fortune 500 sponsors (Boeing, Lockheed Martin, Intuitive Surgical), grants, and local sponsors
- Produced 2 Chairman's Award-winning videos & 2 season recaps
- Led a 12-person subteam within a 90-student organization

PROJECTS

Yellow Duck World — Brand Identity & Web Design

Jan 2026 | Concept Project

- Rebranded a local retail brand end-to-end, designing full visual identity & responsive website from wireframes to high-fidelity Figma prototype
- Developed an interactive "Which Duck Are You?" quiz to gamify product discovery

Best Juice — Heritage Brand Refresh

Dec 2024 | Concept Project

- Rebranded a 50-year-old Egyptian juice brand using retro-modern design to balance consumer nostalgia with contemporary relevance
- Developed full brand suite: logo, tagline, typography, color palette, patterns, packaging, stationery, outdoor, posters, & social media

Second Chance Education (Nonprofit) — Brand Identity

March 2021 | Client Project

- Designed logo and complete visual identity system

EDUCATION

MSA University / University of Bedfordshire — BA (Dual-Award Program)

Feb 2023 – Jun 2027 | GPA: 3.59

Graphic Design Major

Davis Senior High School, Davis, CA, USA — Diploma

Aug 2018 - Jun 2022 | GPA: 3.8

Citrus Circuits FIRST Robotics Team (2018–2022)
Dual enrollment at Woodland Community College (2020–2022), 4.0 GPA

SKILLS

Software
Figma, Mixpanel Analytics, Adobe Creative Suite, Illustrator, Photoshop, InDesign, Lightroom Classic, Premiere Pro, After Effects, Maya, 3Ds Max, Blender

Design
User Research, Wireframing, Usability Testing, Competitor Analysis, Prototyping, Web Design, Information Architecture, Responsive Design, Social Media, Brand Identity

Strengths
Leadership, Teamwork, Project Management, Presentations, Writing, Communication

VOLUNTEER

Davis Youth Robotics
Summer counselor & robotics mentor to 5th grade team, volunteered at 7 fall tournaments

Girl-Powered Events
STEM activity facilitator for girls grades 4-8

LANGUAGES

Native: English, Arabic

Proficient: French

Basic: Spanish
